SELECTMEN'S LETTER

Your Selectmen are pleased that the tax rate dropped a whole penny for 1978, and are even more pleased to report that the Town's deficit, incurred in 1976 and 1977, has been reduced from \$3,671.29 to \$2,641.65. The Town books actually show a surplus of \$1,395, which is deceiving because it includes \$4,037.53 reserved for special purposes, mainly funds from the sale of the school house and from accrued interest on the Cemetery Funds. The Town's net gain from 1978 was \$1,029.64, shown by the deficit decrease.

The Groton School House was sold to the highest bidder for \$3,568.78. Since this money is derived from the sale of Town property, it is to be kept for major improvements.

We are proposing to relieve the suffering of travelers on the River Road by rebuilding Groton's section, so are asking your approval of a \$33,000 note for the purpose. A new River Road and last year's extensive patching on the North Groton Road should result in freeing annual maintenance money for the upgrading of other sections of Town roads. Efforts must continue to improve them.

Numerous corrections have been made on the tax maps, but we are well aware that there are still many more to be made. We continue to urge all who have written evidence or other physical evidence regarding errors in boundaries or disputed ownership to bring it to us so that we can have Eastern Appraisals make the changes.

The Selectmen are grateful for the cooperation of the townspeople throughout the year. The October 25 public meeting for discussion of the plans for a new school plant was better supported by Groton than were such meetings in any Town in the School District. We feel that again the Town Affairs have run smoothly and with relative efficiency, thanks to the fine work of all Town Officers and employees, as well as to the interest and help of the people.

Board of Selectmen
Town Office
Groton, New Hampshire 03241

Gentlemen:

All books and accounts of the Town Officers were examined. The Selectmen's payments were checked with the vouchers. Each voucher had an attached invoice or time sheet.

The Treasurer's bank balance was reconciled with the Cash Book balance.

The Town Clerk's accounts were checked.

Information on motor vehicle permits issued was not available as of January 27, 1979; therefore, no examination was made of the motor vehicle permits.

The warrants given to the Tax Collector were checked against payments received. Unpaid taxes were confirmed by mail on a negative basis.

The Report of Town Audit and the Auditor's Report on Revenue Sharing Funds were filed with the New Hampshire State Tax Commission as required by law.

Sincerely yours,
Joseph M. Jordan
Town Auditor

This past year the arrangement of the library's collection was greatly improved with the installation of permanent shelving along one wall. The funds which allowed us to do this were donated to the library, and we are grateful to the donor.

Once again a workshop was held during the summer months. About sixteen children between the ages of five and twelve attended each of the sessions. In addition to our regular Thursday hours from 3:00 to 4:30 p.m. we have expanded library hours to include Saturday mornings from 10:00 to 11:00.

We are fortunate to have a library which offers the best in children's books and where current adult fiction and non-fiction are readily available, either through our own purchases or from the state. Membership in the Baker-River Audio-Visual Center provides access to a wide variety of equipment and software which has been enjoyed both in the library and at the Village School. About twenty townspeople take advantage of these facilities on a regular basis - plan to join them in 1979!

Librarian

GROTON POLICE DEPARTMENT REPORT

The Police Department is pleased to report that we have had a relatively quiet year, with no unusually difficult problems. More progress has been made in improving equipment.

Chief Albert and Officer Edward Smith have completed the first course required for State certification of Police Officers. They and part-time Officer Ted Kendall of Enfield are now enrolled in a second sixteen week course to further strengthen their backgrounds for police work.

Oversight of the Sculptured Rocks area is still a problem. Continuing heavy use of the area gives us continuing concern about campers and fire danger, as well as control of heavy traffic, vandalism, and litter.

Your police are dependent on the help of the community in reporting troubles and suspicious activity. Promptness in notifying the police is most important, and of course it is very helpful if registration numbers and descriptions of vehicles can be supplied.

Law enforcement help can be reached at the following telephones: 1-800-552-0393 (toll free) Grafton County Dispatch (Sheriff's Office).

744-8664
744-3691

David J. Albert, Chief
Edward Smith, Officer

The Department wishes to thank everyone for their cooperation.

Respectfully submitted,
David J. Albert, Chief

REPORT OF DISTRICT FOREST FIRE CHIEF and YOUR FOREST FIRE WARDEN

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

REMEMEBER, ONLY YOU CAN PREVENT FOREST FIRES!
